
Ein Elefant trifft eine Maus und sagt zu ihr:

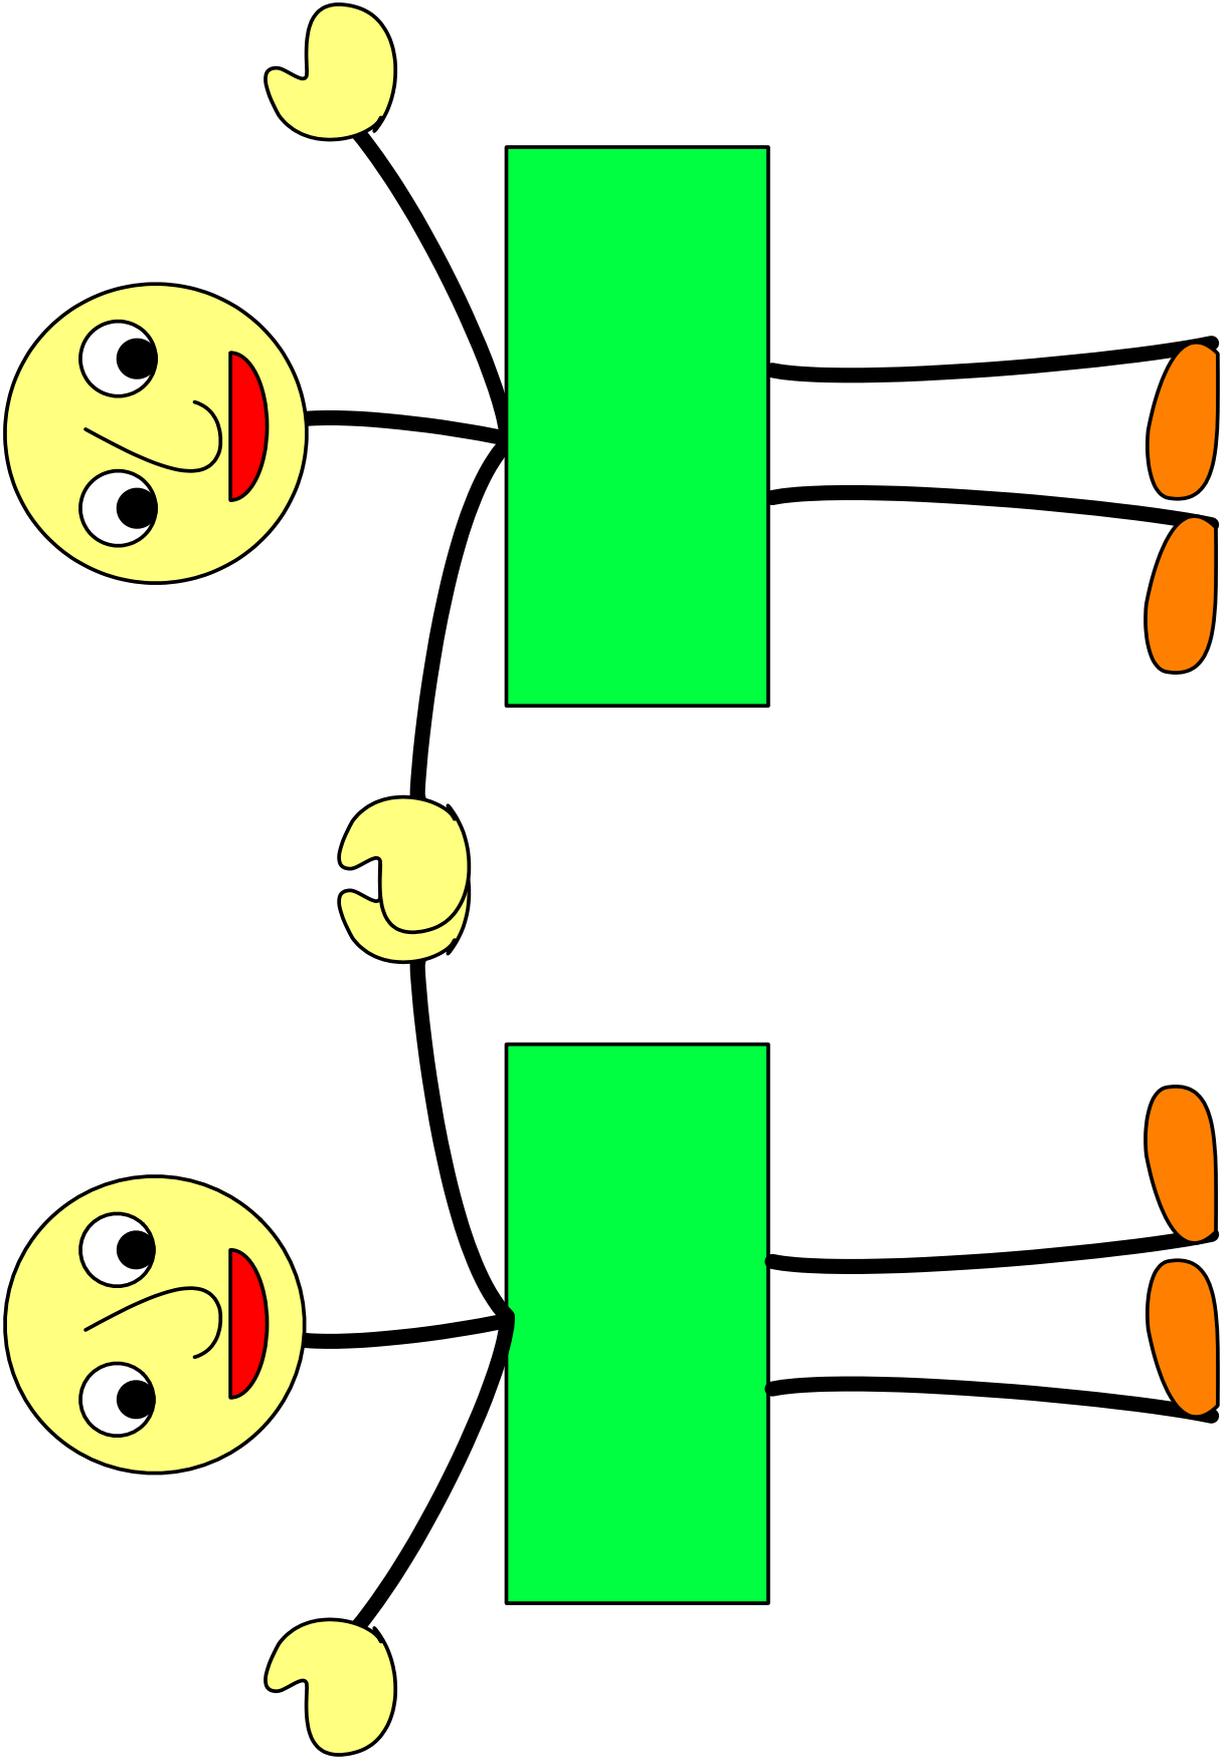

"Du bist aber klein!"

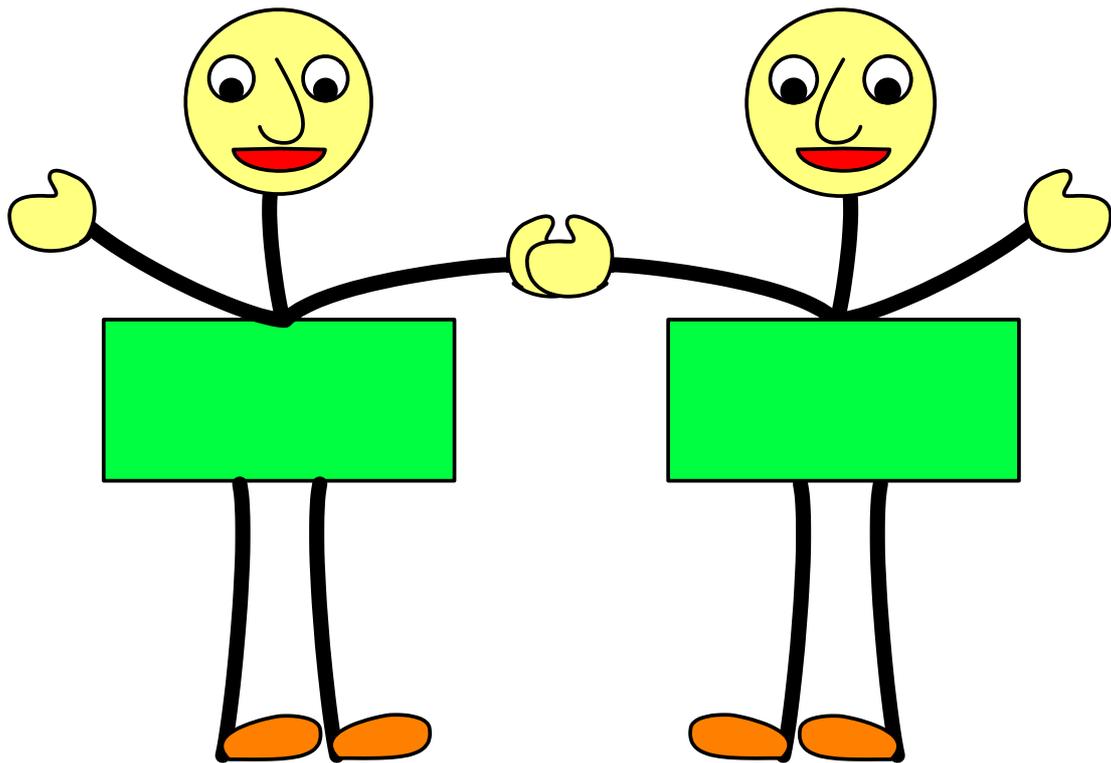

Die Maus antwortet:

"Na ja, ich bin auch lange krank gewesen!"

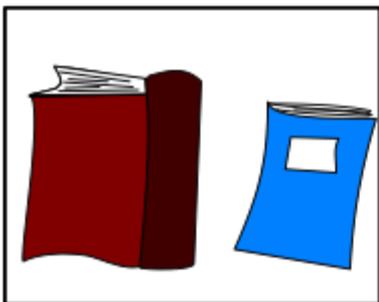

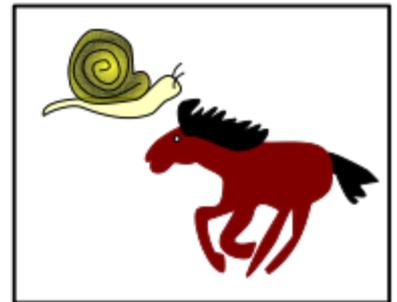

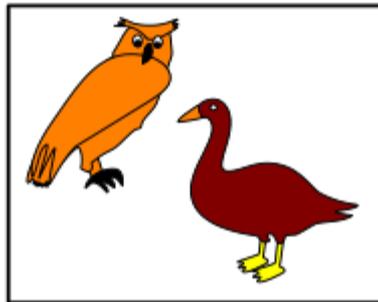

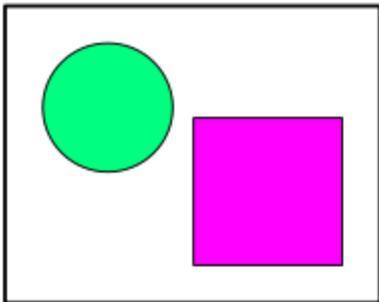

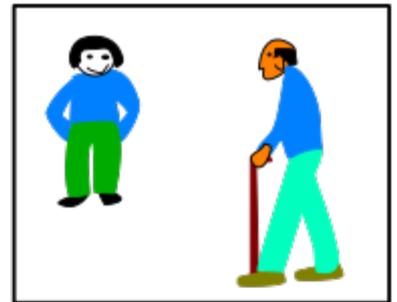

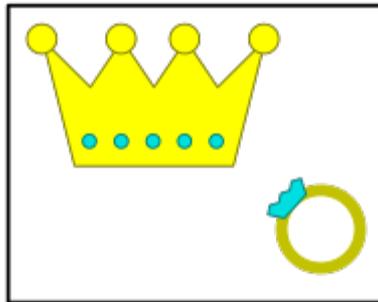

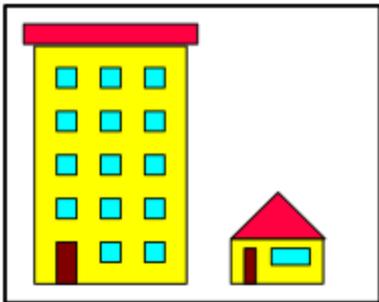

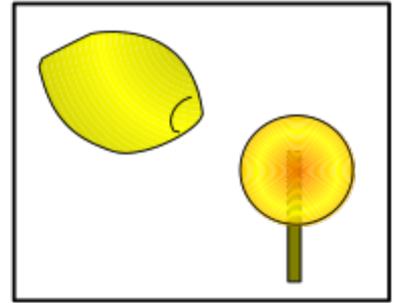

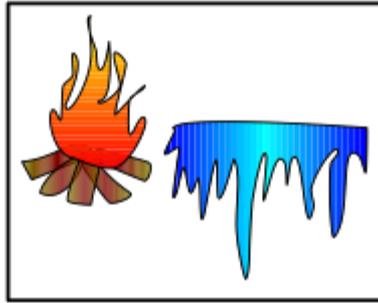

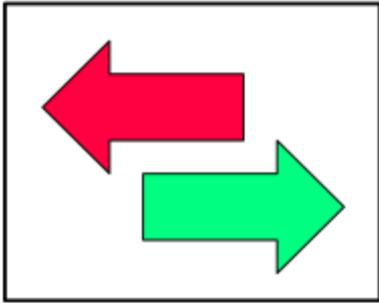

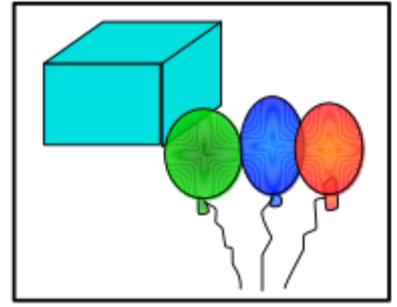

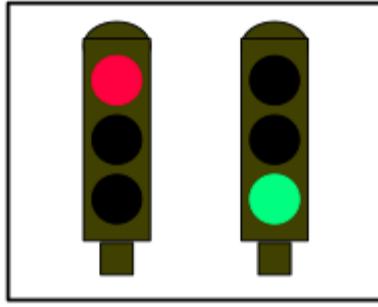

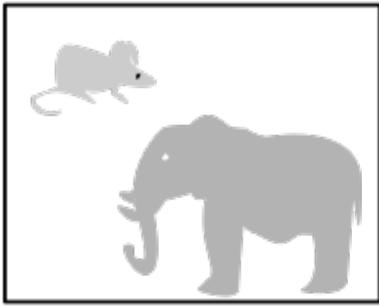

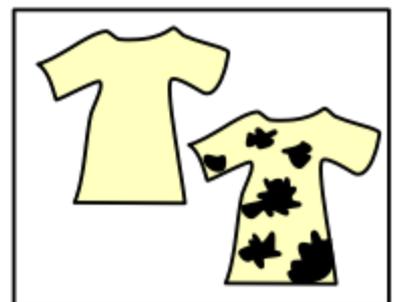

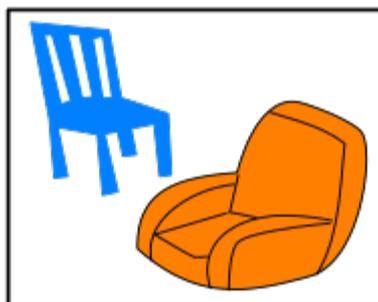

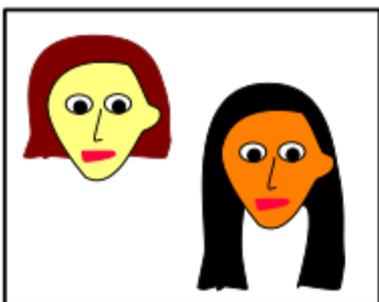

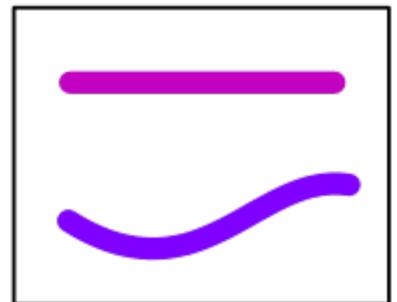

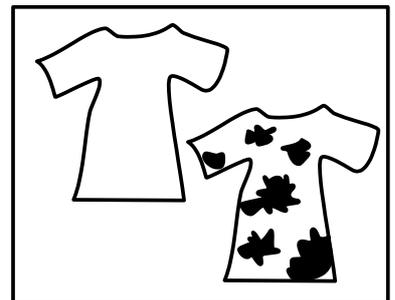

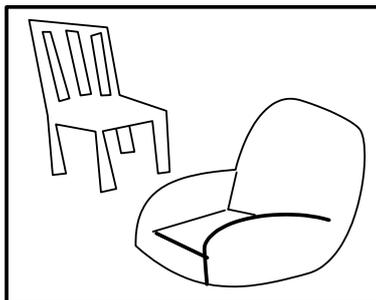

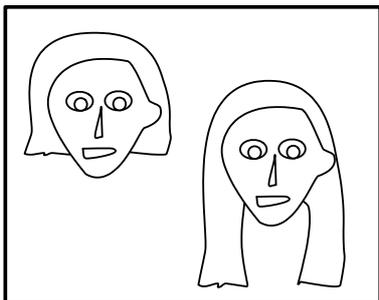

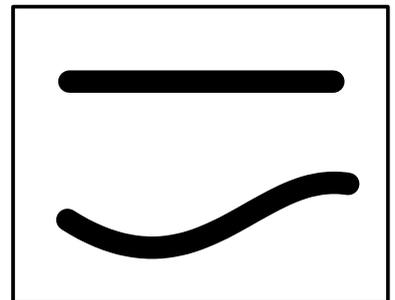

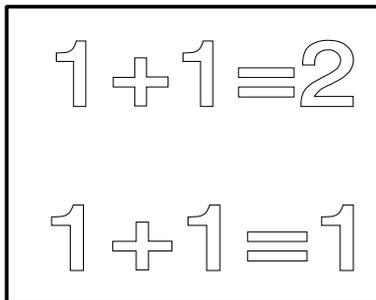

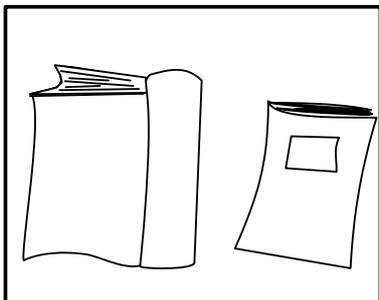

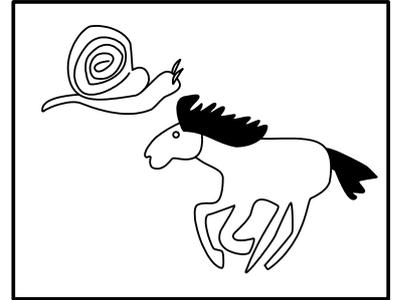

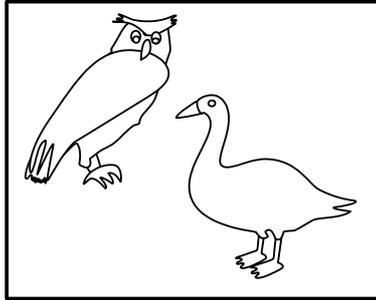

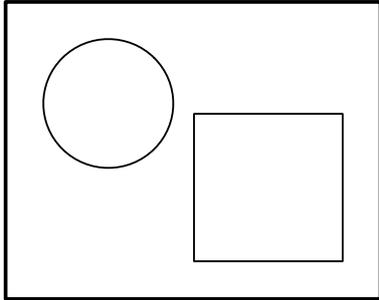

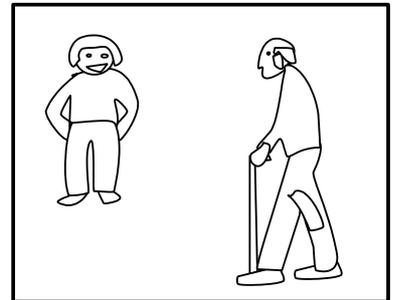

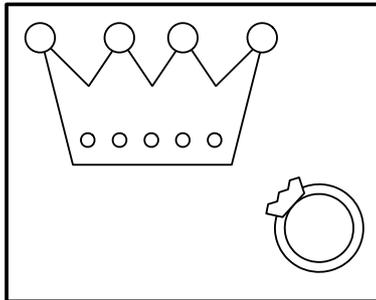

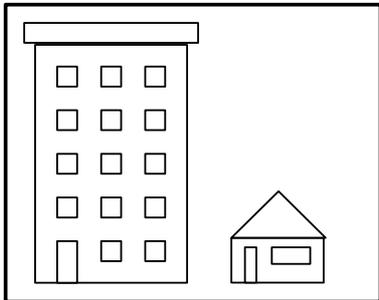

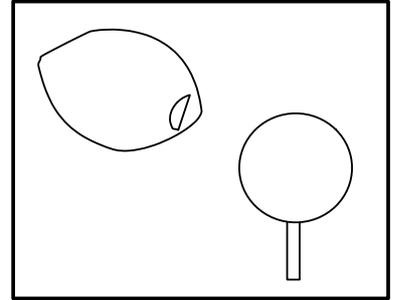

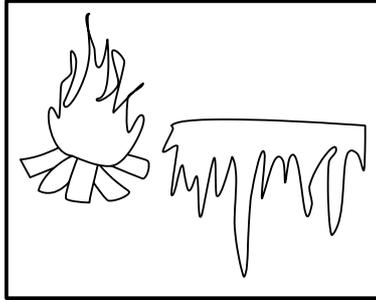

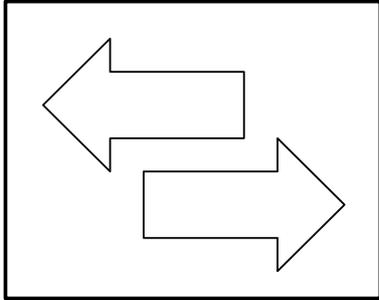

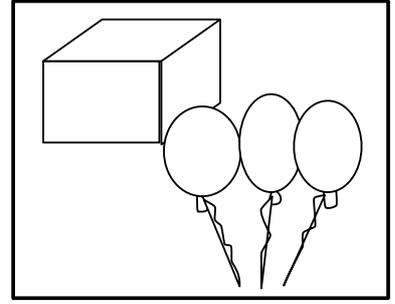

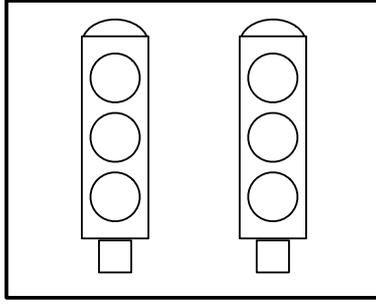

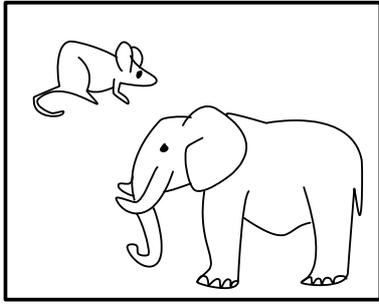

Dieses Bild stand ursprünglich auf einem großen Karton. Die grünen Flächen werden dann ausgeschnitten und der Karton dann auf die Tafel gelegt und immer wieder verschoben.

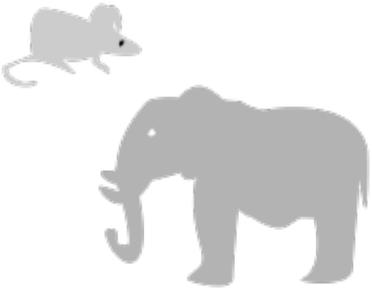

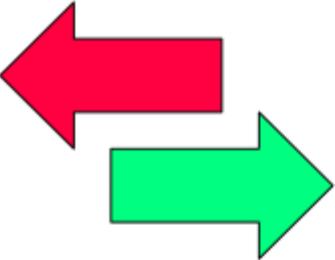

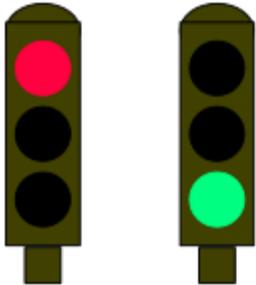

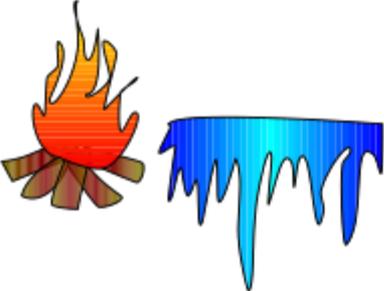

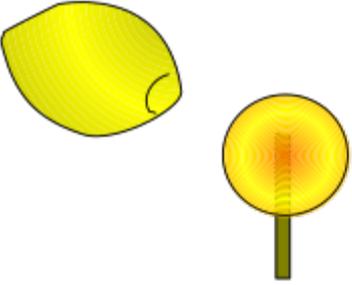

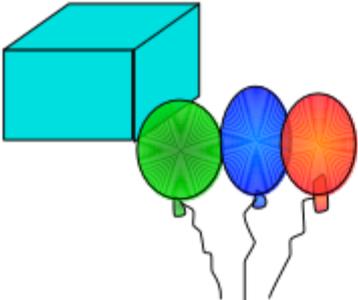

Auf diese Weise kann eine Wortschatzsammlung im Klassenverbund erstellt werden, wobei das Anlegen und Eintragen der Wörter natürlich gerne von den Kindern umgesetzt wird.
